I approved the F.D. memo addressed & told him that when Mr. Garrett returned the C.C. was not ready to re-organize the Press establishment at once but Mr Garrett was retained with a view to reorganizing & therefore that it was necessary to make immediate arrangements for carrying on the work & was right that the office should be filled up as before Mr G. therefore appointed Mr Hudson to superintend the press in

Sir,

I have the honor to submit for the Chief Commissioner's information a copy of a letter No. 6581/A dated 27th December this day received (via Mysore) from the Comptroller General who audits my Pay Bills, objecting to my drawing the allowance of Rs 150/- p.m. sanctioned for me in the Chief Commissioner's orders as per margin whilst filling the posts of Superintendent Mysore Government Press and Compiler of the Mysore Gazette.

Notification No. 5032/713 dated 13th October 1880.

The rule to which my attention is directed is quoted in the margin. I respectfully submit that it appears to refer to the acceptance of remuneration for other than Government work, such as the auditing of Bank Accounts and the like, whereas in my case the duty was imposed and the allowance authorised by the Local Government.

Civil Account Code page 515 para 6-220.

"No Officer of the Financial Department shall accept any fee or remuneration for Auditing Accounts, or for any other work, save with the express consent of the Governor General in Council."

If the confirmation of the Chief Commissioner's orders by the Government of India has not

already

already been asked for, I solicit that the
requisite application may now be made that
I may be spared the necessity of refunding
a salary drawn by me in reliance on the
authority of the Local Government.

1 Enclosure.

Sir,

I perceive that you have drawn under the authority of the Chief Commissioner certain allowances on account of your being placed in charge of the Press at Bangalore –

As financial Officers are not allowed to accept any remuneration for work without the express consent of the Governor General in Council (an order which is repeated in Account Code page 515 para 6) Your duty, when this allowance was proposed, was to represent to the Chief Commissioner that it could not be granted without the sanction of the Governor General in Council.

I request therefore that you will refund to the treasury whatever you have drawn, on account of this allowance and that you will cease to draw it until the necessary sanction has been obtained –

Sir,

In forwarding herewith
copy of a letter № 6581 dated
24th December 1880 addressed
to the Comptroller in Mysore
by the Comptroller General,
objecting, under the rule
contained in para 6
page 515 of the Civil Account
Code, to the receipt by
Mr Hudson of an allowance
sanctioned to him by the
Chief Commissioner for

conducting the duties of
Superintendent, Mysore
Government Press, I am
directed to state that
Mr. J. P. Garrett, the permanent
incumbent of that office
having been retired on
grounds of economy as
reported in my letter
No. 5460/G. 87 of the 5th
November last, it
became necessary to
make temporary arrange
ments for carrying on
the work of the Press,
pending the reorganization
of the Press Establishment
on a scale sufficient

for the requirements of a
Native Administration.
Mr. Hudson was accordingly
placed in temporary charge
of the Press in addition to his
other duties and an allowance
of Rupees 150 per mensem
was sanctioned to him by
the Chief Commissioner
under the impression that
by Section 31 of the Acting
Allowance Code, the sanction
of the Government of India
was not necessary. The
rule quoted by the Comptroller
General was not understood
to apply to an officer
holding more than one
appointment under
Government and
the ... or ... by separate

allowances for the Several
duties imposed upon him,
but if the Comptroller
General's view is held
correct, I am directed
to solicit the sanction
of the Government of India
to Mr Hudson drawing
the allowance above
specified until the
reorganization of the
Press Establishment
is effected.
